ORDER

THIS MATTER is before the Court on Defendant's pro se Motion for Early Termination of Supervised Release (Doc. No. 66). For the reasons set forth below, Defendant's Motion is **DENIED**.

Under the Local Rules, a movant must confer with opposing counsel and inform the Court of the opposing party's position on the motion. This Court requires a Defendant seeking early termination of supervised release to confer with the United States Probation Office and United States Attorney's Office and to inform the Court as to those Offices' positions on the motion. Upon review of the record, Defendant has not complied with the Rules or this Court's requirements. Further, Defendant is currently incarcerated on State charges that appear related to his most recent violation of supervision, which remains pending, (Doc. No. 65), further counseling against early termination of supervision.

IT IS THEREFORE ORDERED that Defendant's Motion for Early Termination of Supervised Release, (Doc. No. 66), is **DENIED**.

IT IS SO ORDERED.

Signed: March 1, 2024

United States District Judge
